

Jackson Water Precinct Monthly Meeting
Monday, June 13, 2022 at 5:30 PM the Water Precinct (Unofficial until approved)

Attending: Scott Hayes, Karl Meyers, Kevin Pratt, Michele Pratt, and Kathleen Flammia

Karl called the meeting to order at 5:30 PM.

Monthly financials and checks were signed.

Reviewed minutes of the last meeting, no changes, Michele made a motion to pass minutes from last meeting, Karl 2nd, all approved and passed and Kathleen signed them.

Karl asked that Scott give his office update:

Scott is continuing to work on the Cyber Grant.

Scott stated he is happy with the new land scaping person from Freedom/Eaton who did the repairs to the back of the property and is doing a great job on mowing etc.

Scott mentioned the lime situation and a general discussion which everyone agreed we will move forward with getting the lime secured at this time.

Scott gave update on the hydrants around town stating that he was continuing overseeing the plans. Discussion on the new property needs that the Mallett property may have with the need to install connections etc. It was decided that Scott could talk to Mike Mallett about possibly using the money dedicated to do groundwork on the flooding in the parking lot to the restaurant against the need for connections on the new property... this came about as the current situation on the parking lot does not look like any further work will need to be done. Scott has the action step to discuss this with Mike Mallett.

Michele asked if the commissioners or Scott needed to do anything with regards to the request from JSTF on the use of water for snowmaking? Everyone agreed now it was JSTF's move to put together a plan.

Karl asked if there were any further questions.

Karl adjourned the meeting at 6:15 PM

The next Water Precinct Meeting is Monday, July 11th, 2022, at 5:30 PM at the Water Precinct
