

Jackson Water Precinct Monthly Meeting
July 12th at 5:30 PM (Unofficial until approved)
Meeting held at the Water Precinct

Attending: Scott Hayes, Karl Meyers, Kevin Pratt, Michele Pratt, and Kathleen Flammia
Karl called the meeting to order at 5:35 PM.

Monthly financials and checks were signed.

Reviewed minutes of the last meeting, no changes all approved.

Scott reported that we still have not received the quote for the extended tree removal on the Dame-Mosher property. Will follow up on within the next month.

Scott said he knows what changes are being done at the (John Little) and currently we will be billing out 2 new meters to the property (one was reported to have been stolen for the coper wiring?).

General conversation on tabling whether or not the Commissioners should receive compensation when they have to attend a meeting on their own time. This subject will remain open for discussion at the next scheduled meeting.

Scott informed us that the "As Builts" contract was signed but at this date we have not heard back from them. Scott will wait till the middle of August before contacting them again.

Scott gave us an update on the Under Water Solutions and that they will be sending us a quote to replace the Bilcore broken door handle on one of the tanks. We do have a photo on file of the broken parts.

Scott reminded all that next Monday July 19th Blue Leaf would be here on site to go over how best to implement the recommended new coagulant into the water treatment program. What ever the findings for that meeting the implementation will happen shortly thereafter.

Scott informed all that he had applied for the leak detection grant and it wasn't expected until 2022.

Scott updated commissioners on the Ellis River property work which would begin 2nd or 3rd week in August. It would include digging necessary to help find the shut off valves for the Main Building and one cottage.

Scott let us know that the emergency plans that were due in the end of June had been completed.

Karl adjourned the meeting at 6:20 PM

The next meeting date is Monday, August 9th, 2021 at 5:30 PM at the Water Precinct
