The first week of August the recommendations will be given. Individuals are able to attend any of the listening sessions. Attendance is encouraged. Each school will have flexibility with implementation. Mask wearing will be mandated. There is a lot of hesitation from many parents in Jackson. 7. Non-public Session – RSA 91-A:3 II

Brian Callanan (concerned parent) spoke about his concerns regarding reopening. He does not understand where the feedback is going and does not feel that it is being addressed by the plans. He would like to go back with remote learning. He doesn't feel that all the questions were answered. The Board as a whole is going to be hearing more from parents.

Ms. Dembowski spoke about some families that want to go back to school.

Has the committee considered a remote learning cohort, SAU wide? (question from public) This has been looked at but there are difficulties with balance.

Jessica DellaValla – now is the time for feedback, decisions are being made within the couple of weeks.

Linda Tierney – shared a letter with Kate. How involved in the conversation is the staff? Are there teachers who are not comfortable as well? Is there a way to split this up if there are a smaller amount of students attending face to face?

8. Adjourn – The meeting was adjourned at 6:54 pm by Ms. Anzaldi.

Respectfully submitted,

Melissa Donaldson
