7. Public Comment

Penny Miller requested the enforcement of no parking along Carter Notch Road by JSTF parking lot. It is a safety hazard and is not allowed per the parking lot permit issued by the State. Also per the permit the JSTF lot is supposed to me seeded and mulched every spring. This matter will be brought up at the safety meeting on 2/23 and a letter will be sent to the people at JSTF.

There being no further business, the meeting was adjourned at 4:30 PM
